

# Jay Shetty

## Introduction

Our next speaker is an award-winning host, filmmaker and entrepreneur who is on a mission to make 'wisdom go viral'.

He was named in the prestigious Forbes 30 Under 30 Class of 2017 for being a game-changer. In under 2 years, Jay has amassed over 5 billion views on his videos with 32 million followers across social media and has started 3 multi-million dollar businesses. His health & wellness podcast, On Purpose with Jay Shetty, offers insights to purposeful living and debuted at #1 on iTunes.

Before leading Social Media Innovation at Accenture for 2 years, he helped to build sustainable villages and philanthropic ventures for 3 years while living as a monk.

He has since partnered with brands such as Facebook, Snapchat, Instagram, HuffPost, National Geographic and Google.

Please help me welcome...Jay Shetty!

**[OPTIONAL] Intro Video** (please be mindful that the stats on the video are slightly outdated and may be followed up with a verbal correction as "*5 billion views on his videos with 32 million followers*" - at client's discretion)
