

# Avish Parashar: Presentation Topics

## **Ding Happens!**

Gives attendees the tools and motivation to embrace, rather than fear and resist change and gives leaders the skills to manage and help their teams improvise, adapt, and innovate in an ever-changing world!

Focus: Change, Motivation, Leadership

## **Say, “Yes, And!”**

Switching mindset and language from “yes, but” to “yes, and,” though simple, can be the powerful key to effective leadership, better sales and service, and unlocking your group’s potential!

Focus: Leadership, Team-building, Service, Sales, Change, Motivation

## **Improvised Innovation!**

Unlock your group’s untapped creativity and channel that creativity towards meaningful personal and organizational innovation using the I.C.E. formula: Identify, Create, and Experiment!

Focus: Innovation, Creativity, Differentiation

## **ResponDING!**

Give your group the tools and skills to transform change and uncertainty into innovation and opportunity. This program not only helps attendees access their creativity, but also shares with them multiple techniques to direct that creativity in new directions to generate brand new ideas, solutions, and innovations! (This is primarily a virtual program, but can be delivered live as a keynote or workshop.)

Focus: Change, Innovation, Creativity
