

## Sonya Dreizler – Testimonials

---

The segment of the webinar I found particularly useful was the suggested semantics. It's hard to know what to say in the moment [when witnessing inappropriate behavior]."

Sonya's approach to difficult questions was impressive.

On many webinars I switch back and forth with other work but on yours I stayed engaged. Your interesting questions and poll responses were thought provoking.

Engaging and practical.

I would give Sonya's overall presentation a score of 5/5.
