

Speech Thomas Introduction

Please introduce Speech in these steps:

1. The next individual I want to introduce you to is SPEECH THOMAS, Speech is the 2x Grammy Award Winning founder and lead singer of the 4X PLATINUM hip-hop collective ARRESTED DEVELOPMENT.

Speech was born in the same year that Dr. Martin Luther King was assassinated. He was born into a time when it could not be more clear just how dangerous it is to be a Brave Leader.

Years later, as he entered the hip-hop scene in the early 90s, when the glorification of racist and oppressive stereotypes defined the genre, Speech and Arrested Development proved that speaking from a place of love and honesty can help you rise to the top of your industry.

Speech and Arrested Development embody what Brave Leadership is all about and are a living, breathing, singing, and jamming representation of what is possible when we dare to break the mold, work together, and DO DIFFERENTLY.
