

Spoken Introduction

Eric Termuende (TUR MUN DEE) is a globally recognized keynote speaker who has been on literally hundreds of stages and worked with category-leading companies from all over the world.

His best-selling book, *Rethink Work* has been a go-to resource as we collectively navigate the future of work. And as the Co-Founder of NoW of Work, Eric spends his time studying incredible leaders, and he is here today to share what separates those that thrive in the future from those that don't.

He's one of the busiest speakers in the world and today, you're going to find out exactly why. Please welcome Eric Termuende
