

# RORKE DENVER

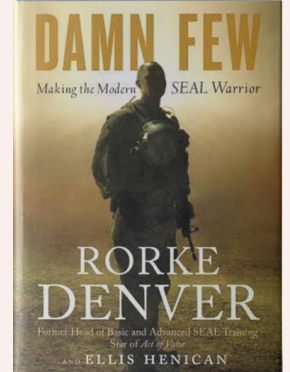

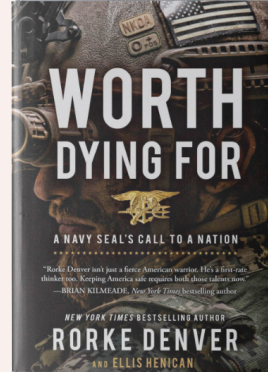

“

I had a strong desire to serve my country and was given one-of-a-kind training to protect it. As I now enter civilian life, I don't see why only a few should have this knowledge. I've distilled Navy SEAL training down to make it applicable to today's workplace and marketplace.

Commander Rorke T. Denver has run every phase of training for the U.S. Navy SEALs and led special-forces missions in the Middle East, Africa, Latin America, and other international hot spots. His service in the SEALs earned him the Bronze Star with "V" for valorous action in combat. Upon retirement as an elite Navy SEAL, Rorke founded Ever Onward, a cutting edge training company that takes Navy SEAL principles and applies them to civilian life.
